It was a super intense Thursday - Friday, but on the joy! Thank you 356labs, Present to Succeed Conference was AMAZING! Great world class speakers with tons of knowledge, super interesting topics, outstanding presentations, priceless insights. Amongst all the speech hacks, PowerPoint magic and tricks, and of course Jan Keck with his ultimate Zoom tips, I had a blast! Honestly, how come it ended so quickly, can the 2023 edition be longer? Can't wait!
